ARM's executive director and community leaders will be living in a "shack" for the week raising awareness and resources for poverty housing. The goal is \$55,000 to get them out. They will be in front of the AU Wesley Foundation on Gay Street across from Tiger Rags. Come visit and let kids paint on the shack for \$5. Give at the shack, online, or make a pledge on the web site. This starts Oct.16 and runs till we raise our goal or Oct. 22nd.

Lisa and others go in Friday Oct. 16th!

Come visit and hear how you can help families struggling with substandard housing!
