Strong Families

Stopping poverty from destroying homes also involves strengthening families by providing children's outreach. We work with volunteers to develop life skills modules that help children survive and thrive. Most importantly your team demonstrates God's love to some wonderful children!

MORE

Servant Leaders

Servant leaders are developed through relationships. SonShine Day Camp is a seven week camp that focuses on reading, life skills, and discipleship for children. ARM works with your team to develop these modules and age-appropriate activities.

BUILD

Sustainable Homes

ARM equips mission teams, churches, organizations, and families to make homes WARM, SAFE, DRY, and BEAUTIFUL. We sweat the details providing housing, tools, materials, and teach your group how to minister with families through devotions and prayer.

MORE

Strategic Community Partnerships

ARM works in two primary service areas across Alabama - Lee and Macon Counties, and Sumter County. ARM is seeking partnerships with other communities to train local members how to do home repair and develop local servant leaders. Set up a call to learn how ARM can partner with your church or community.

BUILD

ARM discovers, develops, and deploys spiritual leaders who, as disciples of Jesus Christ, minister with rural and under-resourced communities to create sustainable homes, strengthen families, and build strategic community partnerships for the glory of God.

Build More

Set Up a Service Day

Churches, youth groups, college teams, businesses, and families can join ARM for scheduled monthly service days or set up your own. In addition to helping you set up your site with tools and materials, we provide your team with aids for engaging with the family and discussion questions about poverty and servant leadership.

"Then Jesus came to them and said, 'All authority in heaven and on earth has been given to me. Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.'"

Matthew 28:18-20

Serve with ARM

Summer Missions

During June and July your team can serve in Tuskegee, and potential other areas in Alabama, ministering through home repair and children's day camps. Groups stay for a week hosted by our college intern staff.

Fall and Spring Teams

College teams, alternative breaks, and weekend service opportunities are hosted in Tuskegee. These options are packaged around your schedule.

Internships

College students are the lifeblood of ARM and host the summer mission teams. Are you a student, or know a student, seeking opportunities to make a difference and build their servant leader skills? ARM trains and equips these servant leaders to partner with the mission teams in home repair and children's ministry. Semester-long academic internships and seminary level, mentored, ministry options are also available.
