NO MORE SHACKS

OCT 18-23

BUILD MORE: HOMES-FAMILIES  
SERVANT LEADERS FOR GOD'S GLORY

What if you could stop poverty from destroying lives and homes in Alabama?

What if you could help a family in need, like Ms. Walker, repair their home to make it warm, safe, dry, and beautiful?

You can as the ministry team from ARM **lives in shacks** to replicate life in homes that are in need of critical repairs.

Give: Your gift will help repair a severely damaged home for Ms. Walker. Her roof was damaged from a drive by shooting! She is in her 90s, stays with her son who has a back injury and they need a new roof and ceiling work!
